

# DRISHTI

DR. R.C. JAIN INNOVATIVE PUBLIC SCHOOL

P R O S P E C T U S

# OUR VISIONARIES

**Late Dr. R. C. Jain**  
(1904-1960)  
Former Principal  
Government College, Hisar

**Late Dr. A. K. Sharma**  
Former Director  
NCERT, DELHI

The present century affords tremendous opportunities to each one, to attain one's goals in life. One should not waste the time and energies in useless pursuits and trivialities. It was Thomas Edison, the great scientist who said, "Genius is one percent inspiration and ninety nine percent perspiration." Positive attitude is essential to achieve success in whatever goals you have in life.

**Prof. Ved Prakash**  
Former Chairman,  
UGC

An investment in education pays the best interest. Education is truly invaluable - it prepares us for life by expanding our horizons, making us empathetic, and humane citizens of the world. We at Drishti emphasize on cultivating new knowledge rooted in skills, attitudes and values in addition to providing leadership opportunities for all. A clear vision of holistic education at Drishti enables the students to utilize their potential in infinite ways. Inclusive and continuous growth paves way for their all round excellence. The conducive learning environment helps us to chisel global learners.

**Sh. Ravinder Jain**  
President  
Vira Industries

The world is changing at a pace much faster than our imagination. It is here that the role of the teachers and the school comes in to prepare the children for this ever-evolving new world.

A global approach is must for the students to equip them for what's in store for them next. Drishti gives a platform to the students to showcase their capacities and abilities at the global level as well, and also the foreign collaborations give the curriculum the much-needed extra-edge up and beyond the regular.

**Dr. Raja Ram S. Sharma**  
Former Joint Director  
CIET, NCERT

A result of technological advances, the students use the vast resources available through technology. But you must remember that the inspiration, the passions, the compassions, the encouragement and the interaction with a human can never be replaced by a machine. We must not allow slavery to the internet to deprive young people of the time to think. So, what we must do in the 21st century is harness the great potential of ICT for good.

## PRINCIPAL'S MESSAGE

Drishti is a place blessed with bountiful beauty both in terms of nature and the people who bring life to this place. The hallways of Drishti are always bustling with energy and eagerness of inquisitive minds. The exhilaration of the players in the school ground, the perpetual smiles on the young faces across the corridors and the openness to 'Express, Innovate and Create' is what makes Drishti UNIQUE.

All the efforts of the dedicated team of teaching and non-teaching staff are aligned with the School Vision of creating "A learning environment where each child dares to dream a life of purpose." The dreams of Drishtians are painted on the canvas of life and shaped through myriad activities. We, at Drishti, are dedicated to facilitate the fruition of the dreams of our children. Together, we embark on the journey of reliving and rediscovering the magic of learning.

Drishti, since its inception in April 2006, has traversed a path of collective experience based learning embracing human values of mutual respect, compassion, gratitude and empathy entwined with high self esteem and self reliance. As you turn the pages of this prospectus, you will visualise the chronicle we create at Drishti.

We welcome you at Drishti to experience the vibrant and joyful environment where history is scripted with a blend of love and virtuosity.

**DR. MANISHA GANGWAR**

## The Logo Represents The Vision Of The School

### SUN REPRESENTS

- Unending flow of light and knowledge
- High energy level each day
- Good health
- Serving all equally
- Optimising potential

### TWO FIGURES

- Male and female
- Spirit of inner wealth
- "Can do it" attitude

### WORDS

- Learning is for achieving excellence
- Always aiming for excellence
- Optimising potential in myriad ways

**"Excellence is not an act, but a habit."**

The journey of Drishti since its inception in **April 2006**, has been phenomenal. It has gained respect, faith and appreciation of the educational fraternity owing to its constant endeavour to provide the right balance of innovation, creativity and experiential learning.

# Our Guiding Fundamentals

Enabling each child to use his/her potential to its optimum level in myriad ways

**OUR MISSION**

A learning environment where each child dares to dream a life of purpose

Physical Smartness and Health  
Toning the mind and body towards performing arts  
Learning to have Interpersonal Skills  
The growth of the Inner Self

**MULTIPLE INTELLIGENCE**

Welcome to

Young Drishtians flourish in an environment where individual differences are appreciated, mistakes are tolerated, communication is open and rules are flexible. The kindergarten students begin education in a conducive learning environment and are exposed to educationally appropriate and entertaining activities.

**Theme Based Curriculum**

**Integrated Teaching Through Stories**

**Role Play and Puppet Show**

**Audio Visual Aids**

**Kindergarten Library**

**Sleeping Room for Tiny Tots**

**Nature walks, Meditation and Aerobics**

**Air-Conditioned Classrooms**

# Pre-Primary Wing

## Acres of Fun

Workshops for Parents

Value Based Morning Assembly

Art and Craft

Clay Modelling

Music and Dance

E Blocks

Computer Aided Learning

Story Telling

Excursions and Pool Party

Theme Based Presentation

## Primary Wing Room to grow

The school stimulates self-discovery and learning through exploration. The endeavour is to develop curious, knowledgeable and skilled learners. Years of committed expertise enabled us to look for the best educational practices. The revolutionary teaching methods, flipped classrooms, phenomenon-based learning, and no books till grade V, protect students from the tyranny of textbooks. We lay emphasis on conceptual learning rather than rote learning.

Minimum bag load

Interactive classrooms

Theme based Integrated teaching

Periodic tests

Experiential learning

Value based teaching-learning

Focus on building core competencies

Special class assemblies

Celebration of important days

Class Presentations, 100% student participation

Inter house competitions

# Middle & Senior Wing

## The nurturing nook

Drishti is a school with a difference as there is equipoise between academics, life skills, and co -scholastics. The students develop their self-esteem, confidence and responsibility as learning becomes quite formal with diversification of subjects. The students not only shine with excellent results in board exams but they also develop leadership skills by participating in model democratic governance in the campus.

Smart Interactive Classrooms

Experimentation, Group Discussions, and Project Work

Peer Learning and Reverse Teaching

Teamwork to Develop Collaboration

Focus on Creative Writing, Dramatisation and Panel Discussions

## Inclusive Wing

### Ambition to fly

Drishti School has an Inclusive wing where efforts are made to integrate children with special needs into the mainstream school. Individualized education programs are made for each child based on the differential abilities. Teachers and staff adapt their approach and tailor their instructions to meet the students' unique needs. Occupational and speech therapy are an integral part of the curriculum. Vocational education is provided through bakery and making of special items for festivals, where children not only learn the skill of making special products but also the marketing and financial skills. The abilities of children with special needs are honed at Drishti so that they can face the challenges that life throws at them.

# Our Global Presence

Drishti is lucky to have a coveted platform where students get international exposure that helps to enhance and broaden the vision of students.

We, at Drishti, believe that there is an urgent need to educate the young people around the globe to realize the advantages of democracy and support each other to enjoy our cultural differences.

The school provides an international platform to its students and teachers by giving them opportunities to attend and present papers at the World Conference of Curriculum and Instruction (WCCI). It is a biennial event and holds status B with UNESCO.

In this way, the students nurture respect for all, building a sense of belonging to a common humanity. It helps them become responsible and active global learners.

Drishti also encourages and facilitates international experiences of an educational and cultural nature by inviting teachers from different countries to teach in the school. Under the aegis of Indiana University (School of Education) Global Gateway Program, every year teachers come to Drishti for expanding and strengthening their teaching skills. It gives rewarding and successful experiences to all involved in teaching-learning process. Our students get exclusive chance to connect globally and develop cultural sensibilities. We thus bring international perspectives to classrooms while giving exposure to different educational systems.

# Activity Galore

Drishti has a plethora of activities which seamlessly integrate curricular and co-curricular domain. At Drishti learning is not just restricted to classrooms. School culture is value-based, academically vibrant, ethically strong and emotionally stable.

To groom various facets of a child's personality and inculcate qualities like team spirit, self-confidence and self-initiative for overall development, various curricular and co-curricular activities are organised.

- Workshops and Seminars
- Subject Enrichment Activities
- Integrated Projects
- Community Service
- Field Trips and Excursions
- Career counseling
- Library Activities

## School Clubs

The school clubs are small communities where students who share the same interests receive insight from club advisors, classmates and peers to gain new perspectives. Clubs unite students and develop their social skills so that they become productive part of the society.

- Cooking (without fire)
- Readthons
- Springy Bodies
- Eco Club
- Drama and Theatre
- Instrumental Vibes
- Entrepreneurs
- Volleyball
- Intone
- Art and Calligraphy

# Sports-A leap forward

Drishti aims at producing children who are strong, healthy and active. The school has a vast and well-equipped sports complex.

## FACILITIES ARE AVAILABLE FOR

- Basketball
- Football
- Kho Kho
- Cricket
- Volleyball
- Athletics
- Karate / Judo
- Badminton
- Yoga

## Drishti Sports Academy

The school also runs a Sports Academy to enhance the performance of our budding sports persons under the supervision and guidance of professional coaches.

Our students have represented school in various state, national and international competitions and brought laurels to school in Pesapallo, Swimming, Shooting and Karate.

## NCC

With the objectives of instilling nationalism and fostering the spirit of service, the students are being shaped into disciplined student leaders under aegis of 19 Punjab Battalion of National Cadet Corps.

# Welcome to the school of your **DREAMS...**

## D.R. Aggarwal Library

A well stocked digital library is the soul of the school. The state of the art library provides the students with the quiet and purposeful atmosphere for intellectually creative work. It presents the new editions of magazines, latest novels and literary works to encourage students to read. In one corner there is storytelling section for little ones who cannot read on their own. There is ample space for research and free search corner is fitted with Apple computers.

## English Language Lab

The highly interactive language lab fitted with cutting edge technology has world class software to impact quality teaching and effective learning.

## Sagar Multi Media Lab

The smart room puts at the disposal of teachers and students the latest technology available to bring the world into the classroom. It makes learning more individualised, interactive and flexible.

## Conducive Environment for Learning

- Inspiring Infrastructure
- Pollution-free sprawling campus
- Spread over 7 acres in a picturesque area
- Designed for 1200 students
- Wi-fi campus
- Computer Labs/Multimedia Labs
- Strategically located CCTV surveillance cameras
- 24x7 power backup
- Magnificent Conference Hall
- **The Third Eye** - Yoga Room
- **Compassionate Corner** - Counselling Cell
- **Visual Delight**-Projector Room
- **Ignited Minds** - Maths and Geography Lab  
Science Labs-Biology, Physics, Chemistry
- **Tarannum** - Music Room
- **Ballerina** - Dance Room
- **Belief Bakery** run by Inclusive wing
- Richly equipped Activity Hall
- Health and Wellness Clinic
- Canteen serving nutritious meal
- Safe Transport with Global Positioning system
